PRESIDENT'S MESSAGE

Written by Angelo Carrozza

Welcome back to Oakden for our first home fixture of 2025!

Welcome Members, Corporate Partners, Friends and Family to Adelaide City Park.

Tonight, we welcome President Amin Ayoubi and WT Birkalla for a special Monday night clash—deliberately scheduled to give passionate football fans a game they can enjoy, whether they support our team or not.

A big thank you to our match sponsors, Stax and Coopers, for supporting tonight's event and for once again committing to Adelaide City for the 2025 season. Their backing ensures our fans not only enjoy great football but also have something to fill their bellies!

We are also proud to once again welcome Phil Colosante and Chemist Warehouse as a Platinum Partner for 2025. This partnership, which began last season, is one we truly value. As we aim to return to the national stage, it's vital to have strong national brands supporting our ambitions. Chemist Warehouse features proudly on the front of every jersey at our club—from Seniors to Juniors, boys and girls—symbolizing their commitment to football at all levels.

On behalf of the club, I'd also like to extend our sincere gratitude to all our Corporate Partners for 2025: Regency Timber, ORTA on The Parade, DeChellis Homes, Optus, Inertia, New Balance Belgravia, Caiazza Constructions, Windermere Park, PSC Insurance Brokers, Retail Ink and the large number of team and player partners for your generous support.

A special thank you to our incredible volunteers who dedicated their time during the off-season to give Oakden Park a well-deserved face lift. Your efforts—whether painting, moving equipment, or making improvements have not gone unnoticed. Our heartfelt appreciation goes to the invaluable team of volunteers involved.

On the field, our NPL squad has undergone key changes, with Football Director Ange Costanzo making several strong signings to strengthen our roster. Under the leadership of new coach Vas Parhas, the energy and enthusiasm have been evident from day one. Our first two matches have already shown how well this group is coming together.

Our WNPL side has also seen some exciting personnel changes, with Lewis Vallelonga stepping into his first senior coaching role. While Round 1 didn't deliver the points, the performance was promising, and we're eager to build on it as we await the return of several key players from injury.

As a Tier 1 club in the newly formed Youth Club Championship, we remain committed to developing the next generation of players. Under the guidance of Junior Technical Director Steven Grelli, we look forward to seeing the continued growth and success of our Junior Boys and Girls teams.

Our team has also put together arguably the best merchandise in the NPL/WNPL—and certainly the best our club has produced in recent years. Be sure to check out our range and grab your own by visiting our online shop or purchasing on game day at Oakden.

Lastly, I'd like to invite our community - especially those in business - to our City Connect Business Series Luncheon at The Carrington on Wednesday, 26th March. We are thrilled to host ex-England international Tony Dorigo, who will share his incredible football journey - from playing at local Adelaide clubs to representing Aston Villa, Leeds United, and beyond.

It promises to be a fantastic afternoon, and we look forward to welcoming another footballing icon to the Adelaide football community.

Here's to a fantastic season ahead, on and off the pitch. Enjoy the match!

The return of our flag!

Close your eyes... history beneath your feet...

for decades, we fought...

3 National titles, 19 Men's NPL, 11 Women's NPL titles

... countless memories, heroes carved into time...

and we are not done!

Honouring our Italian heritage

After 20 long years, the Italian flag returns to our jersey!
Not just as a tribute to the past, but as a beacon for the future.

It's more than colours, it's our heart.
A symbol of pride, family, destiny.

When we wear this logo, we carry more than a badge.
We carry the dreams of every player who came before us,
because right now it is happening.
The black and white stripes standing proud.
This is our story.

This is our City!

The WNPL squad has been hard at work in pre-season under the guidance of newly appointed Senior Coach, Lewis Vallelonga, alongside WNPL Reserves Coach, Joshua McLoughney. CITY MEN'S FOOTBALL REPORT

Written by Angelo Costanzo

Welcome to Round 3 and our first home game of the 2025 season!

Firstly, I'd like to thank everyone in the ACFC family who has contributed to giving Adelaide City Park a facelift for the new season. It's been a collective effort, and we hope these improvements make Adelaide City Park an even better place to watch football.

After a strong opening round 2-0 win against Beograd, we faced MetroStars in Round 2, where, despite dominating the match, we unfortunately couldn't come away with the points. It was one of those rare games where, even in defeat, we nearly walked away the happier of the two teams.

This season marks a new chapter for Adelaide City FC, with Vas Parhas taking the helm as head coach. Vas has been fantastic to work with, bringing in key additions to strengthen an already talented squad. The club has full confidence in him to lead the team to success and, hopefully, to silverware this year.

We also extend a warm welcome to the Birkalla Eagles for today's match. Their squad features some familiar faces, including former Adelaide City player Charlie Devereux and former assistant coach Stav Gelekis—both of whom have lifted championships in our colors.

We look forward to a competitive match and a great display of football. Thank you to all our supporters for being here. Your passion and energy drive this team forward, and we're excited to share this season's journey with you.

Enjoy the game—and don't forget to grab a beer and a Stax Burger while you're here!

COACH'S

VAS PARHAS

SENIOR MEN'S COACH

On behalf of the Men's NPL teams, welcome to Adelaide City Park for our first home game of 2025 and thank you in advance for your support throughout the year.

As you can see, the entire organisation has been hard at work in the off-season to improve the amenities for supporters, aesthetics of the club and the facilities for all players. The work of our volunteers, support staff and friends of the club has been an inspiration to myself, my staff and our players and we are extremely appreciative for the collective hard work and goodwill.

Our pre-season was successful, allowing us to embed a dominant and attractive style of play that embodies the club's values and we are excited to showcase this to the football community locally and nationally. Retaining the majority of our squad whilst strengthening in key areas has been pivotal and I look forward to watching our players take their individual and collective game to another level.

On a personal note, returning to this famous club where I won silverware as a player some 25 years ago is an honour and I am grateful for the opportunity to win silverware with this very talented group of players.

We will do this whilst maintaining a laser-focus on developing elite players from within the youth ranks and establish a high-performance culture that positions us well to transition to the next tier in the football pyramid.

See you all soon

CORNER

LEWIS VALLELONGA

SENIOR WOMEN'S COACH

We are thrilled to welcome Amelia, Josh, Josh, Luis, Nick, Joe, Crystal, Anthony, and Franca to the staff this season.

Their unique skills and fresh energy have already had a positive impact, and they have seamlessly integrated into the squad. It's exciting to see them bring their passion and dedication to the team as they settle into their roles.

As we move forward, our primary goal for this year is to foster a winning culture within the team. We're focused on building a strong foundation that will propel us back into the finals spot. Each week, we're committed to growing as a unit, learning from our experiences, and pushing ourselves to improve both individually and collectively.

Under the leadership of our captain, Bianca Gray, and with the support of her leadership group, we are confident in our path to success. Bianca's experience and leadership qualities will be key in guiding the team through the season, ensuring we stay focused on our goals. With hard work, determination, and the support of our strong leadership team, we're looking forward to a season of progress and achievement as we aim to get back to winning ways and compete at the highest level.

CAPTAIN'S

BIANCA GRAY
SENIOR WOMEN'S CAPTAIN

Thank you to all the supporters who came out to our first game, we hope to see and hear you throughout the season.

We have finally made it, 115 days after the start of pre-season and we have kicked off season 2025. Season 2025 sees a bunch of new faces around the team, both coaches and players. A new coach means new ideas, formations, playing styles and tactics.

Along with coaches, new players have joined the city family this year. With both new coaches and new players it usually takes time for the team to gel and understand how each other play and learn the coaches playing style. But everyone has worked hard this pre-season and continues to work hard each session.

Unfortunately, round 1 had mixed results, with the reserves bringing home the win with a strong display but the first team were not able to get the points. Both teams worked hard throughout their game, with plenty of positives and areas to improve. We look forward to round 2.

This week sees our first home game of the season, with a double header against Birks. This will be a tough game but we are looking to bounce back after round 1.

CORNER

NICHOLAS BUCCO
SENIOR MEN'S CAPTAIN

Welcome to all the members of our Adelaide City FC Community for Season 2025. It has been a mixed start to our campaign with 1 win out of 2 in the league and progression into the next round of the cup.

Vas and his coaching staff have implemented a fast, strong and possession based style of football which suits the ethos of our great club. Our squad is a very young, fresh group who are showing tremendous hunger and desire to be the best.

Tonight, we will aim to continue building against a strong WT Birkalla side, who we know have quality all over the park and will provide us with a stern test.

On behalf of the playing group, I would like to thank all staff, members, sponsors and especially volunteers who assist us everyday in being the best people and footballers possible. So much time and effort has gone on in the background, particularly at Oakden, with extensive work being done to give the club a facelift.

I had a great time with the club and the people made me feel welcome.

I had fond memories playing in the Derbies against West Adelaide and Hindmarsh being full and we had a pretty good season making the playoffs, but unfortunately ran out of steam and got knocked out by Wollongong.

We had a few characters in the club which made training fun at times and interesting.

I was at the club for only 1 season and enjoyed my time in Adelaide, meeting some great supporters and people outside of football which I see on a regular basis.

I moved to Geelong and played the final season of the NSL with Melbourne knights and then moved to London with my wife and daughter and then relocated back to Adelaide. I support Chelsea in the EPL but also take a keen interest in Tottenham due to Ange Postecoglou and seeing him do well in the EPL and Europe.

I did meet my wife Debbie here in Adelaide and have been living here for the past 20 years.

We live up at Kuitpo in the Adelaide Hills and we have 3 kids Alexandra (21), Olivia(19) and Zachary(15).

We have a family business named Taronga Almonds which we have been running for 7 years with my wife, at which we flavour almonds, almond butters, and baking goods.

We also make almond brittle; we are at the farmers market at Willunga and Adelaide showgrounds.

We sell our products in some IGA's and Foodlands in Adelaide and we are in a few wineries around McLaren Vale and the Barossa, we have distributors in NSW and Victoria. I also do FIFO at Olympic Dam and work as a supervisor for BHP for the past 6 years.

I also try to get to some Adelaide United games when possible, with my kids.

WHO WE ARE

Known as the Zebras, Adelaide City is a football club based in Adelaide, South Australia.

The club played in the National Soccer League (NSL) for 27 seasons.

We now play in the South Australian National Premier League (NPL SA).

City was founded and is primarily followed by people of Italian heritage, originally called Juventus from 1946 to 1966.

In 1966 we became Adelaide Juventus, and in 1977 Adelaide City, when Frank Lister captained the team in the inaugural Phillips NSL competition.

The club is one of the biggest across the NPL in Australia and arguably the most prominent in South Australia. Several past and present players, coaches, and administrators of the Black and White have been inducted into the Football South Australia Hall of Fame.

Our impact also extends to the national stage. We have provided a pathway for several past and present Socceroos, Matildas, and a plethora of the best players to play in national competitions across Australia.

Adelaide City also boasts a strong women's program. We pride ourselves on offering the best facilities, quality coaching, and dedicated volunteers for all of our junior and senior programs.
